

What is SDPS...?

- SDPS = SharePoint Deployment Planning Services
- Pre-defined planning service
- Specifically for SharePoint deployment
- Developed by Microsoft
- Delivered by partners
- Used by qualified customers worldwide

What are the Benefits...?

- Risk reduction on deployment
- Lower cost of deployment
- It is a Software Assurance Benefit

What are the SDPS Engagement Options...?

- 1 Day**
High-Level Overview
Overview of SharePoint with Q&A Session
- 3 Day**
High-Level Deployment Planning
SharePoint Technical Presentations, design and planning sessions
- 5 Day**
High-Level Deployment Planning
Based on the 3-day engagement; includes instructor led SharePoint labs
- 10 Day**
Extensive Deployment Planning Engagement
Custom deployment planning activities
- 15 Day**
Extensive Deployment Planning Engagement
Based on 10-day engagement; additional time for deployment planning activities

What does a SDPS Engagement entail...?

- A Scope of Work defined based on your desired engagement type (1, 3, 5, 10 or 15 days)
- Professional consultation on how to plan and prepare for a successful SharePoint deployment
- A deployment plan tailored to meet your unique needs and answers to "why" and "how" to deploy
- A concise description of how deployment will drive business value via the core capabilities provided by SharePoint.

What are the Next Steps to follow...?

- Determine your Software Assurance benefit eligibility
- Determine which engagement type you qualify for
- Create SA Voucher in Microsoft Volume Licensing Services
- Identify your project team, including sponsor and project manager
- Schedule your Strategy Briefing Session and invite participants
- Complete the pre-engagement questionnaire
